

Lifestyle Coach Training

April 30-May1, 2015

The New Mexico Department of Health Diabetes Prevention and Control Program will be offering a National Diabetes Prevention Program (NDPP) Lifestyle Coach training, at **no cost**. This training is for:

- Staff at organizations that already have or are pending Center for Disease Control and Prevention (CDC) NDPP recognition
- Staff at organizations that are interested in implementing the NDPP and that commit to seeking CDC NDPP recognition. This requires an organizational readiness assessment.

Time and Location:

April 30-May 1, 2015 from 9:00 am - 5:00 pm
5301 Central Ave NE, Suite 200
Albuquerque, NM 87108

For more information about the NDPP, go to:

<http://www.cdc.gov/diabetes/prevention/index.htm>

For more information about the NDPP in New Mexico and to register, contact Mimi Ludden at (505) 841-5848 or

Meredith.ludden@state.nm.us

• DEADLINE: Register by April 17th •
