Announcements

The NMDAC Board meets quarterly before each training session. You're invited to join us!

Board involvement is one more way you can improve the quality of diabetes prevention and care in New Mexico.

Talk to one of our board members to learn more.

CEU Information

This session is eligible for 2 hours of the following continuing education units:

CME: Continuing Medical Education*

CDR: Commission on Dietetic Registration

CHW: Community Health Worker

** Nurses and Pharmacists can apply for CMEs, so long as they complete additional documentation.*

Make sure you have signed-in and received the required paperwork.

NMDAC also provides Certificates of Attendance upon request.

Educational Objectives

By the end of the presentation, participants will be able to:

- Discuss 2018 American Diabetes Association (ADA) standards of care for management of diabetes in pregnancy
- State maternal and fetal risks of poor metabolic control in pregnancy.
- Explain importance and components of preconception counseling.
- Identify strategies used in managing diabetes in pregnancy, including glycemic targets.
- Cite resources to provide women who have diabetes in pregnancy.

ACCREDITATION STATEMENTS

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the New Mexico Medical Society (NMMS) through the joint providership of Rehoboth McKinley Christian Health Care Services (RMCHCS), the New Mexico Diabetes Advisory Council and the New Mexico Department of Health. RMCHCS is accredited by NMMS to provide continuing medical education for physicians.

RMCHCS designates this live activity for a maximum of 2 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NMDAC is part of the Commission on Dietetic Registration Continuing Professional Education (CPE) Provider Accreditation Program.

Community Health Worker
